Nedgra Baker v. MTA Bus Company, et al., No. 18-cv-12231 (TMR)(KHP)

Dear Judge Reif:

I write on behalf of Nedgra Baker, the Plaintiff in the above-captioned matter. Pursuant to Rule 5.B of Your Honor's Individual Rules of Practice and Rule 21.7 of the Southern District of New York's ECF Rules & Instructions, Mr. Baker respectfully requests that certain docket filings in the above-captioned matter be sealed by the Court in order to remove his personal sensitive information from the public docket. Rule 5.B and ECF Rules 21.4 and 21.5 specifically identify the information that Mr. Baker requests to be sealed as personal sensitive information that litigants may file under seal without prior court approval. Attached hereto as Appendix A is a chart that identifies all filings in the above-captioned matter that contain such information. The Court's ECF Help Desk has already been notified of Mr. Baker's Rule 21.7 request and has instructed that Mr. Baker's counsel file this emergency letter motion to seal.

The filings identified in Appendix A contain sensitive information regarding Mr. Baker's (a) "employment history" and (b) "medical records, treatment, and diagnosis". (See ECF Rule No. 21.4.) Specifically, these filings consist of or discuss personnel files that describe Mr. Baker's disciplinary and termination history, along with various medical evaluations. "[T]ermination and disciplinary records . . . [and] medical records . . . often implicate privacy concerns and have the potential to embarrass the subject employee if [public]." *Duling v. Gristede's Operating Corp.*, 266 F.R.D. 66, 74 (S.D.N.Y. 2010); see also *In re Gen. Motors LLC Ignition Switch Litig.*, 2015 WL 2130904, at *2 n.3 (filings that included plaintiff's "medical information and employment history" filed under seal because "a party may redact such information without prior Court approval"); *United States v. Pirk*, 2018 WL 3118279, at *2 (W.D.N.Y. June 25, 2018) (filings containing information regarding party's employment history filed under seal). As in those cases, the information contained in the filings identified in Appendix A has the potential to embarrass Mr. Baker and otherwise cause

him harm, for example when applying to other jobs; on the other hand, there is little or no value to the public in being able to view Mr. Baker's specific work and medical records.

The MTA has advised that it takes no position with respect to Mr. Baker's request to seal the documents identified in Appendix A in their entirety.

Respectfully,

/s/ G. Alejandro Carvajal

GRANTED. The Clerk of the Court is directed to fully seal the filings set forth in Appendix A. The parties are directed to electronically file redacted versions of the filings set forth in Appendix A. The parties are not required to file in redacted form Dkt. 62, which has been superseded by Dkts. 70, 71 and 72. The redacted versions of the remaining filings shall omit "sensitive information" regarding plaintiff's "[e]mployment history" and "[m]edical records, treatment and diagnosis." Rule 21.4, U.S. District Court for the Southern District of New York, Electronic Case Filing Rules & Instructions.

SO ORDERED
